What is inside

1. Lavender Haze 5
Muted dusk light with a fine film grain. Calm enough to disappear behind your widgets.

2. Peach Sun 6
One warm gradient, one soft sun. Minimal enough for a clean desktop, warm enough to feel alive.

3. Cloud Window 7
A window onto somewhere quieter. The pale clouds keep text and icons perfectly legible.

4. Moon Water 8
Still water, an impossible moon, and room to breathe. A nighttime favorite for lock screens.

5. Silk Waves 9
Mauve and pearl folding into each other. Abstract enough to suit any icon color you use.

6. Daisy Field 10
Soft focus flowers under a gradient sky. Spring on your screen, whatever the season outside.

7. Sunset Dunes 11
The sun sitting low behind bare dunes, drawing one long shadow across the sand.

8. Palm Silhouette 12
Palm fronds cut black against a peach sky, the way they look from a balcony at dusk.

9. Curtain Light 13
Late light coming through a sheer curtain and landing in a soft rectangle on the wall.

10. Misty Lake 14
A pale sun hanging over water so still the mist seems to rest on top of it.

11. Starry Lavender 15
Thousands of small stars over a lavender sky that fades to blush at the horizon.

12. Moon Halo 16
A full moon behind thin cloud, wearing the faint ring you only see on cold nights.

13. Cloud Layers 17
Cloud stacked in flat layers, the view you get from a window seat above the weather.

14. Aurora Veil 18
Aurora light drifting in slow ribbons, pale enough to almost miss it.

15. Constellations 19
Constellations reduced to thin white lines and dots, nothing else on the field.

16. Single Arch 20
One arch in clay against cream, placed just off centre and left alone.

17. Line Hills 21
A whole range of hills described by a single unbroken line and nothing more.

18. Colour Blocks 22
Three flat bands of colour meeting at hard edges, no blending anywhere.

19. Sun Rings 23
A small sun with thin rings spreading out from it in even, quiet steps.

20. Boho Arches 24

Old paper with its foxing left in, and a warm bloom creeping into one corner.

The look of a photocopy run one too many times, speckled and soft at the edges.

One feathered wing lit from behind, every edge going translucent.

Painted clouds in the renaissance manner, faded down to rose and pearl.
